

Why Shepherds' Haven?

Twenty-six years ago, Dr. Ken Brown partnered with his sons to establish Shepherds' Haven. Their mission was to equip pastors and Bible students by providing exegetical and ministry skills in a supportive and fellowship-based environment. As we continue this noble heritage, our aspiration is to foster academic excellence and encourage pastors to question the pre-digested exegesis they are accustomed to. We provide them with the necessary tools to engage in personal exegesis, enabling them to nurture God's flock.

Our fellowship is comprised of pastors from diverse backgrounds. We don't place emphasis on congregation size or building structures. Instead, we value all shepherds who genuinely have a passion for the Bible and their flock.

Our rental, Spruce Lake Retreat, is nestled in the picturesque Pocono Mountains. Boasting a spacious conference room, a charming hotel, and recent technological upgrades, it provides an ideal setting for studying the Word of God.

Leadership: Sean Cowland, Tim Lewis, Alan Brown, Howard Cole, Mark Brown, Lawrence Brown, Brian Demers

Shepherds' Haven is a Pastor's Conference and online resource ministry created for pastors by pastors. Our mission is to provide genuine fellowship and encouragement as we strive to sharpen exegetical and ministry skills of pastors and church leaders on the battle lines for Jesus Christ. We also seek to provide a haven of rest and support for pastors as they tend and care for God's sheep.
